Notes

For night-sweat in typhoid fever
use quinine in alcohol for rub

Poison from concentrated Lye
Spirits of Ammonia or Aqua Ammon-
ia. The antidote is diluted
vinegar

Gargle #1
Carbolic acid $\frac{1}{2}$ teaspoonfull
Chloride of Potassium 1 table-
spoon Water $\frac{1}{2}$ pint-

Gargle #2
Carbolic acid $\frac{1}{2}$ teaspoonfull
Borax 1 teaspoonful
Hot water one pint.

Solutions for hands

Glycerine	10 pts worth
Bayrum	10 lb
Glance Seed	2 1/2 lb

Carbolic Acid douche
1 teaspoon to three qt water

Gas Emerica
1 teaspoon turpentine in one pint water.
Face powder

4 ounces of Spurmax in $\frac{1}{2}$ pint
hot water then adding 2 teaspoonsful
of glycerine.

Cold Remedy

$2\frac{2}{3}$ of glycerine
 $\frac{1}{2}$ $\frac{2}{3}$ of Concentrated Pine comp-
ound (Globe)

$\frac{1}{2}$ pint of good whiskey and
put the other two ingredients
into it. Shake well and take
one to two teaspoonsfull
after each meal and at bed
time. Smaller doses for children.
